**ELECTION**

Sir:

This is in response to the United States Patent and Trademark Restriction Office Action mailed March 29, 2006, which response is being made on Monday, May 1, 2006; (April 29, 2006 being a Saturday), and for which no extension of time fee is due.

Applicants hereby elect Species 4 depicted in Figure 4b, drawn to a hollow, ring-shaped micro-generator device having a narrow tail end disposed within a wide head end.

It is believed that Claims 1-7, 9-13, 18-23 and 28-37 read on the selected species.

Applicants reserve the right to file, at a later date, additional divisional applications claiming priority from the present application which are directed to the non-elected species.

Respectfully submitted,

*Martin D. Moynihan*
